AGM 2025

Rider Safety & Ride Cancellation

We are looking at this as the Committee but initial thoughts are:

When you come out with the club, you do so at your own risk – i.e. if the weather is a concern, stay home

On the other hand, we have a duty of care to our members related to weather warnings:

Red/Amber – Rides will be cancelled

Yellow – The planning team will risk assess and may alter routes/destinations etc to mitigate

..and..

We recommend all members have some form of insurance

We will look at planning some ride leader refresher event

Also, please keep your **Emergency Contact/Medical Details** up-to-date and accessible on your phone, bike or person

Ruthin Cycling Club – Clwb Seiclo Rhuthun AGM 2025

Sunday B Rides (Merian)

Currently very few riders go on the 'B' group long ride.

Why??

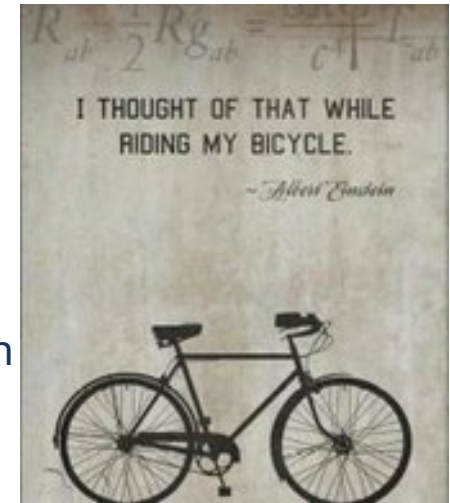

- "Takes too much time "
- "Too long - not fit enough! Can't keep the pace up for that length
- "I'm completely wasted for the rest of the day!"

Proposal:

- Starting on 2/3/25
- We will plan gradually longer rides starting at approx 30 miles and increase the mileage every 2 weeks until hopefully we have parity with the other 2 groups and we can join everyone for coffee!
- Pace will remain comfortable for all.
- We will always try and find a coffee stop en route!

We need support from Ride Leaders

You must sign up on RWGPS if you are intending to ride so we can gauge uptake.

Ruthin Cycling Club – Clwb Seiclo Rhuthun

AGM 2025

Introductory Rides (John Miller)

When I started riding with the club I had:

- never ridden more than about 12 miles
- never ridden with a club
- and certainly not climbed any of the hills around The Vale!

Originally the club had a slow, supportive organised Sunday “Social Ride”. Both I and others soon progressed to the B group, and some further!

So, to encourage new members

- Plan some shorter “Introductory” routes 10-15 miles initially
- Advertise on social media locally with a club email address
- Starting May (weather warmer!) Sundays at 10
- Frequency depends on take-up – fortnightly for a couple of months?
- As riders progress, increase the distance gradually aiming to be able to join the Social or “B” group
- Need support from some Ride Leaders
